**MIDWEST BROILER/FRYER** - Final majority prices this week were mixed from last Monday's final with Chicago unchanged, St. Louis slightly higher, and Detroit unchanged to slightly lower; Ohio cities TFEWR. Whole fryer market tone was mostly steady with limited offerings. Retail and distributive demand was light to moderate with best activity into retail promotions and fast food channels. Floor stocks were mostly balanced; sizes desirable to light. Supplies of boneless skinless breasts were close, wings very tight, and adequate on dark meat cuts. The trade sentiment was fully steady to firm on wings, barely steady on leg quarters, and generally steady on the balance.
